November 03, 2017 - Owners Developers & Managers

Waltham, MA Hobbs Brook Management LLC has begun a full interior renovation of 81 Wyman St. Hobbs Brook plans to reposition the space, located in the town's technology corridor, into a modern, amenity-rich class A office building.

Originally built in 1989 and purchased from Thermo Fisher Scientific in 2015, the three-story, 80,000 s/f building is located directly off Rte. 128 and highly-visible in the metro-west marketplace. The revitalized property is expected to attract high caliber tenants with open floorplates, floor-to-ceiling windows, and elegant glass entries.
