North Branch Const. completes Burnham Soccer Field facility at Dartmouth College

July 02, 2008 - Northern New England

North Branch Construction, Inc. has completed construction of a new 5,000 s/f building adjacent to the new Burnham Soccer Field at Dartmouth College. The new steel and concrete block structure includes locker rooms for two teams and public rest room facilities. Freeman French Freeman, Inc. of Burlington, VT, provided the design for the \$2.6 million facility.

North Branch has completed a number of projects on the Dartmouth College campus, recently completing the new Gold Level LEED Certified McLane and Fahey Residence Halls and the major renovations of the Alumni Gymnasium. Other projects completed by North Branch at the Dartmouth campus include the McCulloch Residence Hall, Phi Tau Fraternity, and addition/renovations of the Latin American, Latino and Caribbean Studies House.
