2017 Annual Review: Tom Sweeney of Sweeney Real Estate & Appraisal

December 29, 2017 - Front Section

What are your predictions for commercial real estate in 2018? We are cautiously optimistic. In the past year we have grown our team to handle volume. We keep up with current trends and new education in real estate to remain aware of the ever changing market. We emphasize the importance of the market information for both our future and our client's future. We remain cautiously optimistic and expect 2018 to be a fruitful year in Rhode Island real estate.
