BayCoast Bank opens new branch in Little Compton

January 26, 2018 - Front Section

Little Compton, RI BayCoast Bank has opened its new branch located at 2 Meetinghouse Ln. The new branch is BayCoast Bank's 18th location serving the South Coast region.

Andrea Pereira will serve as branch manager and Margaret Gill will serve as assistant branch manager and they both look forward to working within the local community.

The new branch will offer a walk-up ITM (Interactive Teller Machines)/ATM, which combines the convenience of an ATM with the personal service of a branch. ITMs allow customers to see and speak with a bank employee remotely through a video monitor during expanded hours and work as an ATM when the ITM staff is not available.

Withdrawals, deposits, loan payments, transfers between accounts and cash exchanges are some of the features offered at a BayCoast ITM, all with the convenience of talking with a teller. ITM services are available Monday through Friday 7am to 7pm and Saturday 8am to 2pm.

"We're excited to announce the opening of our Little Compton branch and delighted that Andrea and Peggy will take a lead in servicing our Little Compton customers," said Nicholas Christ, President and CEO of BayCoast Bank. "Expanding our presence into the Little Compton area has been a priority for BayCoast Bank; we look forward to a long relationship in this outstanding community."
