Christen, Vandor Pol and Roach join TFMoran, Inc.

February 02, 2018 - Northern New England

Devon Christen, TFMoran

Marinus Vander Pol III, TFMoran

Fred Roach, TFMoran

Bedford, NH TFMoran, Inc. has added three team members to its engineering and surveying firm.

Devon Christen, EIT has joined the structural engineering department, serving as a structural engineer in the Bedford office. Christen obtained a bachelor of science in Civil Engineering degree with a minor in Architectural Studies from the University of New Hampshire in 2014.

Marinus Vander Pol, III has joined TFMoran's Portsmouth division office as a survey technician. In addition to boundary and subdivision surveys, Vander Pol's ten years of land surveying experience includes construction layout, existing conditions and ALTA surveys, along with deed research and instrument operations.

Fred Roach has joined TFMoran's Bedford office as an administrative assistant. Roach's duties include production of plans and reports, file and archive maintenance, deliveries and other administrative functions for all departments.
