## **New England SIORs handle 1.65m s/f in transactions valued at \$101.6m**

July 11, 2008 - Spotlights

The New England SIOR Chapter members during the first half of 2008 completed a number of major advisory and transactional assignments. Corporate America and regional tenants indicated the SIORs are the premium brokers in the commercial/industrial New England real estate markets whom they entrust for expert knowledge and skills. The first half of 2008 experienced approximately 1,649,763 s/f of commercial real estate valued at approximately \$101,625,480. Congratulations to all the New England SIOR members!
