2018 Women in Construction: Brittany Boilard, Columbia Construction Company

March 30, 2018 - Spotlights

Name: Brittany Boilard

Position: Project Manager

Company: Columbia Construction Company

Years in the A/E/C Industry: 7 years

What associations or organizations are you a member of? NAWIC, Mass Building Congress

Why the A/E/C Industry? As a kid I always dreamt of becoming a famous architect! Unfortunately, while completing my undergraduate degree I realized that being a designer wasn't necessarily my thing. I enjoyed architecture/engineering so much though that I was determined to stay within the industry. What better way than by working for a general contractor and managing construction projects. This way I still get to stay involved in the design while also making it become a physical reality.
