Gray joins TFMoran civil engineering department

April 06, 2018 - Northern New England

Andrew Gray, TFMoran, Inc.

Portsmouth, NH According to TFMoran, Inc., engineering technician, Andrew Gray, EIT, has joined their Portsmouth division team.

Gray graduated from the University of Alaska Anchorage with a bachelor of science degree in Civil Engineering. In addition to septic system design, his over ten years of experience includes civil project management, permitting, construction inspection and oversight, and geotechnical investigations.

Prior to TFMoran, Gray was the SWPPP lead inspector for the \$14 million Portage Cove Harbor Expansion in Haines Borough, Alaska.
