Pirie Architects hire Morgan and Davis

April 20, 2018 - Connecticut

New Haven, CT Pirie Associates Architects has hired two new members to its growing team.

Jake Morgan comes to Pirie with five years of experience in architecture and preservation. Morgan spent two years in the commercial office development practice at Gensler in Washington, D.C. While at Gensler, he worked on various large-scale commercial and institutional projects and contributed to numerous competition-winning design proposals.

Danielle Davis, RA, joined Pirie Associates after working in New York City for RAMSA. Davis earned her master's degree in Architecture from Yale in 2014, and brings with her a wide range of expertise, including master planning and extensive knowledge of commercial, institutional, and educational project types.

Pirie was founded in 2002 by principal Laura Pirie, who has 30 years of experience.

designing thoughtful and integrated built environments around the country. The New Haven, Connecticut-based architectural firm specializes in working with clients who are ready to advance their business, organization, or community to the next level by purposefully engaging their environment and embracing their mission. The firm's expertise includes residential, commercial, institutional, historical, and urban design work, with a focus on using broad, integrated strategies for business and organizational development and community engagement. Pirie Associates is a certified Women's Business Enterprise with professional registrations in Connecticut, Massachusetts, and New York, New Jersey, Rhode Island and Colorado, and is certified by the National Council of Architectural Registration Boards to practice nationwide
