Carey joins TFMoran as project manager

July 20, 2018 - Construction Design & Engineering

Paul Carey,
TFMoran

Bedford, NH TFMoran said that Paul Carey, PE has joined the team in the civil engineering department, as a project manager. Carey is a licensed professional engineer in the state of Massachusetts and has over 25 years of extensive experience in the civil and environmental engineering field. His primary expertise is in the field of site engineering, with a focus on onsite wastewater management, stormwater runoff management and water resource protection. Carey has a bachelor of science degree in Civil Engineering from the University of New Haven and is a certified MA soil evaluator. His prior work experience includes practice in eastern Massachusetts and the greater New York City area.
