LaCroix joins Green Leaf Construction as project manager

August 17, 2018 - Construction Design & Engineering

Nicole LaCroix,
Green Leaf Construction

Leominster, MA Nicole LaCroix has joined Green Leaf Construction as project manager. She will be responsible for the management of several projects for the firm, initially including a historical church renovation as well as a process-based fume hood installation project. LaCroix, holds a master's degree in Construction Management and joins Green Leaf from Consigli Construction.

“Nicole is a tremendous addition to our operations team,” said Green Leaf’s director of operations, Dan Spinney. “Her attention to detail and enthusiasm for construction and customer service are a perfect fit for the company as we continue to grow.”

LaCroix has over eight years of experience in the industry. In addition to construction management, she also possesses experience in facilities management and interior design.
