Dennis Serpone

What year did you discover the New England Real Estate Journal? Approximately 1985

In what way has the New England Real Estate Journal been a benefit to you and your business? There isn't a better way to not only access the commercial real estate market, but to also enhance one's brand. I can't imagine any company matriculating our real estate market and being successful without a presence in this marketing vehicle. God bless the NEREJ in their 55th year. Happy anniversary.
