Delphi Construction hires Ferreira as project executive

September 21, 2018 - Construction Design & Engineering

David Ferreira,
Delphi Construction

Waltham, MA Delphi Construction, Inc. has added David Ferreira to the Delphi leadership team in the role of project executive.

Ferreira brings more than 19 years of professional experience across multiple sectors with a focus on commercial construction, corporate interiors, life sciences and retail and hospitality.

“We are very excited to have David joining the Delphi leadership team in this key role. With a wealth of high level management experience across multiple industry sectors along with a demonstrated commitment to putting the needs of the client first, David is an ideal fit for Delphi. We know he will be a great asset to our clients in the markets we serve and are confident that his experience will help provide our continually growing staff the added leadership they need to be successful both on their projects and in their careers as construction professionals.” said Keith Shaw, Delphi COO.

Ferreira will oversee project teams to ensure consistent A+ Project Delivery in which Delphi’s six standards of success are met: The project is on time, the project is on budget, the project is safe, the work is of the highest quality, the client is happy, and the Delphi team is happy. As a member of the Leadership Team he will also share in shaping the strategic growth of the company as an increasingly visible leader in multiple markets.
