Who or what has been the strongest influence on your career and why? Over the past 20 years, I have marketed and sold over 13 luxury communities both mid-rise condominiums, town home communities and single family home neighborhoods from Boston to the South Shore. I wouldn't be here today if it weren't for two women that have been extremely influential in my career both personally and professionally. Tracy Champion and Mary Benoit both schooled me in my early days in my career and I couldn't be more grateful for the opportunity of working with both of them. Currently I am marketing a brand new luxury waterfront community on the South Shore overlooking Hingham Bay. Seascape at Weymouth is a 6-story 50 unit residential building in Weymouth Neck. The water views are intoxicating and there is nothing like it on the water anywhere on the South Shore. It truly is an opportunity of a lifetime to market what I think is one of the most beautiful projects in such a spectacular location!
