Nobis Group awarded 10-year EPA design and engineering contract

December 21, 2018 - Construction Design & Engineering

Concord, NH Nobis Group was awarded a 10-year contract by the U.S. Environmental Protection Agency to provide comprehensive on-call Design and Engineering Services (DES) at Superfund and Brownfield sites throughout EPA Regions 1, 2, and 3. This contract has a ceiling capacity of \$410 million which will be shared amongst several awarded firms. Earlier this year, Nobis was awarded another 10-year contract to perform Environmental Services and Operations (ESO) Services.

“We are extremely proud of these awards and the opportunity to provide EPA with comprehensive Superfund expertise in order to restore impacted sites throughout our communities,” said Nobis’ Scott Harding, director, federal services.
