Acella Construction Corp.

We achieved growth in our company at a rate of about 50%, and more importantly, we did this while still maintaining the same family culture throughout our company. As a family business, we put the culture of our company forward as a priority whenever we're looking for someone to join our team. This past year in particular, we've added several new employees, and I'm happy to say that they've all integrated beautifully into the Acella family. We know that the culture we build for our employees is crucial to our success, and we plan to maintain and enhance that culture as we continue to grow.
