Brennan Consulting, Inc.

2018 was a fantastic year for Brennan Consulting.

We are one of Boston's newest WBE firms and 2018 marked our largest growth year, in both market sectors and client base, to now include many of the region's top performers and high profile projects. Innovations in historic adaptive reuse and in new skyscraper, casino and hotel construction methods also expanded our portfolio.

According to the NWBC, there are now 12 million women business owners and our numbers are growing. We are excited to ride this wave and provide creative solutions for the Boston real estate community well into 2019.
