Outsourced Risk Mgmt. Solutions

We are immensely proud to have grown our business for the 9th straight year. Because we often focus on small balance lending, this growth has allowed us to help more financial institutions lend on more CRE loans, enabling more small businesses to secure the financing needed for property development and purchases.

One of Outsourced Risk Management Solutions' (ORMS) goals is to promote commercial development, job growth and the expansion of the economy in support of the American dream.
