What was your greatest professional accomplishment in 2018? - by Todd Tremblay

December 28, 2018 - Spotlights

Horvath & Tremblay

We really grew the firm this year and I think my greatest professional accomplishment, or at least the one I'm most proud of, is the mentoring and coaching I was able to provide to our younger agents.

Being able to pass along my commercial real estate experience and the knowledge I've gained from my 13 years of real estate transactions, has been extremely rewarding.

Seeing them succeed in serving our clients, growing their business and positioning themselves for a meaningful career has been as rewarding as any deal I closed on my own this past year.
