BankRI

I consider my greatest accomplishment of the past year to be the success of my team.

There is a lot of activity in the commercial real estate market right now and it takes an all-hands-on-deck approach to balance the growth in our overall portfolio while continuing to serve all clients with the high level customer service BankRI is known for. At the same time, we have further diversified the projects we become involved in, as well as the products available to meet our clients' varied financial needs.
