"Revolutionary Green: Innovations for Global Sustainability"

July 23, 2008 - Green Buildings

The Boston community is very excited to be the host for this year's U.S. Green Building Council's Greenbuild International Conference and Expo. Buildings play a critical role in protecting and improving our environment and the health of the people who occupy them.Â USGBC's Greenbuild conference and expo is an unparalleled opportunity to connect with other green building peers, industry experts, and influential leaders as they share insights on the green building movement and its diverse specialties. The success of the conference will depend on the committed involvement of the volunteers and conference attendees in our community. Join us this year at the in Boston November 19-21.
