What was your most notable project, deal or transaction in 2018? - by Ryan Williams

December 28, 2018 - Spotlights

Ryan Williams

DPS Group

The DPS team completed hundreds of projects in 2018 for both blue chip and emerging growth pharma/biotech companies and we're grateful to our clients for entrusting us with their projects.

The Moderna Therapeutics project in Norwood, Mass. was our most notable as it is one of the most highly watched biotech unicorns having recently gone public.

The DPS team is very proud to have been part of their team.
