Park and Lane of QA+M Architecture now licensed architects

February 15, 2019 - Connecticut

Brian Park

Michael Lane

Farmington, CT According to QA+M Architecture, Brian Park and Michael Lane have passed the architectural registration examination and are licensed architects in the state now.

Park joined the firm in 2012. His experience includes work on a variety of projects with a focus on community buildings and multifamily housing. He is currently serving as project architect on QA+M's Branford Community Center Project, as well as multiple affordable housing renovation projects in Willimantic.

Lane, too, joined the firm in 2012. Lane specializes in multifamily residential design and incorporating green technology to minimize the environmental impact. He is currently working on the Newtown Community and Senior Center and the Bristol Memorial Blvd. Magnet School.
