February 15, 2019 - Connecticut

Name: Kristen Solloway

Position: Vice President | Department Manager

Company: Fuss & O'Neill, Inc.

How many years have you been in your current field? 24

Who are three women – living or dead – that you would like to have drinks with and why?

1. Oprah Winfrey: Because of her wisdom and confidence.
2. Pat Summit: I wish I could have had half of the confidence that Pat had. To do what she did for women's basketball in a male dominated sport was amazing.
3. Meryl Streep: She exudes confidence and wisdom and seems like she would be a fun person to hang out with!

What were your biggest fears when you started out in your profession? When I first started out finding a job was very hard because of the economy. Being a young female engineer entering a male-dominated field was a little overwhelming.
