Bowdoin completes fit-out of 20,950 s/f Stop & Shop in Newton

February 22, 2019 - Retail

Newton, MA Bowdoin has completed the fit-out of a new 20,950 s/f store for Stop & Shop at Newton Nexus. Designed by Scott/Griffin Architects, this is a smaller store with a new logo and updated design.

The interior space features an open ceiling with painted deck, LED lighting, DuctSox in lieu of traditional hard ductwork, and a polished concrete slab.

Features of the store include a fresh produce department with more organic and locally sourced options; a full commercial kitchen with smoker, ovens, fryers, freezers, coolers and prep tables; a large prepared foods area with a wide range grab and go options; and self check-out with mobile payment and technology. All work was completed within a four month construction schedule.
