2019 Women in Construction: Mariana Botero, CAD Designer/Modeling Specialist at Acentech

March 29, 2019 - Spotlights

How many years have you been in your current field? 3

What inspires you: I'm inspired everyday knowing that I am affecting the experiences people have when they inhabit a space. Knowing that my work will affect people's lives, even if they are not fully aware of it, motivates me to produce only my best work. I moved to the U.S. as an international student, so my encouragement to succeed also stems from my responsibility to represent Colombian women around the world.
