2019 Women in Construction: Gable Clarke, Partner, Director of Interior Design at SGA

March 29, 2019 - Spotlights

How many years have you been in your current field? 22

What was your first job and what did you learn from it? My first job in the industry was as a design/sales rep for a commercial furniture dealership. I learned so much from that experience, including how to be solutions-oriented and how to work collaboratively with other designers, industry peers and end users.
