## **2019 Women in Construction: Sarah McGillicuddy, Director of Marketing and Business Development at Acentech**

March 29, 2019 - Spotlights

How many years have you been in your current field? 15

Career highlight and what inspires you: I love working within the field of design and construction as it is full of creative problem solvers always seeking to push the envelope – my colleagues and peers inspire me daily. I value the flexibility provided by Acentech that enables me to pursue a career that is fulfilling, while also being an active and engaged parent to my two young children. Working with the amazing, brilliant women and men at Acentech is a highlight of my career. But, in particular the women within the Marketing & BD Department who inspire and make me laugh on a daily basis! I am proud to be a founding member of PWC Boston where our mission is to support, advance, and connect women and promote diversity within the A/E/C industry.
