2019 Women in Construction: Liz Lamour Croteau, Consultant at Acentech

March 29, 2019 - Spotlights

How many years have you been in your current field? 7

What inspires you: I'm extremely grateful and proud that I have the opportunity to teach acoustics at Berklee College of Music. Teaching has given me an outlet for self-improvement in public speaking and a growing breadth of knowledge on acoustics and audio. Teaching also allows me to gain a different perspective on my design work that I otherwise wouldn't have, helping me to put together the best system design available for each project.
