2019 Women in Construction: Viviane Benchaya, Administrative Assistant at Acentech

March 29, 2019 - Spotlights

How many years have you been in your current field? 4

What inspires you? My desire to meet people from all walks of life and to discover different cultures motivated me to move to Boston from Brussels, right after I graduated from college. At Acentech it is wonderful to have a group of female colleagues who are always very kind to share their knowledge and advice, not only on a professional level but on a personal level as well.
