MKDA designs 11,000 s/f office space for Heineken

July 30, 2008 - Connecticut

MKDA has designed 11,000 s/f of office space on behalf of Heineken USA at One Landmark Square. The beer importer, which has its U.S. headquarters at 360 Hamilton Ave. in White Plains, N.Y., is using the space as its northeast regional office.

According to MKDA director of design Julia Lindh, the space was given a fresh design that not only reflects the qualities of the company's light beer, but also maintains some of the traditional elements of the Heineken USA brand.
