Granite Commercial Real Estate relocates to 30 Temple Street, Nashua

May 03, 2019 - Northern New England

Nashua, NH Granite Commercial Real Estate LLC has relocated to its new, larger office at 30 Temple St., suite 300.

30 Temple Street's location is amenity rich, including building security, bank, café, and a parking garage.

The new office space allows the company to remain highly competitive in retaining and recruiting high-performing team members. Granite Commercial Real Estate LLC can also expand within the building, which provides the space necessary to accommodate its future team.

"We're excited about our move to Nashua and the ability to expand our brand," said Megan Prieto Giokas, president of Granite Commercial Real Estate LLC. "Being located in Nashua allows us strategic access to our clients and opportunities in New Hampshire and Massachusetts, while allowing us to use our recent HUBZone Certification from the U.S. SBA to foster economic development in our nearby communities."
