Boston, MA REFA held its first Women's Roundtable program of the year on May 1st. Elizabeth Lowrey, principal and director of interior architecture with Elkus Manfredi Architects joined REFA for an exclusive, interactive roundtable discussion with 30 attendees, including a workshop focused on "Activity Based Working in a New Age." Formed in 2015, REFA's Women's Roundtable Series programs are held throughout the year as a way for attendees to hear from prominent female leaders in an informal setting, allowing for an interactive and dynamic discussion.

The third REFA Mentor Program was kicked off on Wednesday, May 1st, and will take place throughout the course of a seven month period. REFA's Mentor program has doubled in size since the program first launched and provides REFA's Emerging Leader members with the opportunity to be paired with an industry leader. Mentors and mentees share ideas, career advice, and are sounding boards to help with professional development.

GBREB divisions joined forces with AAREP, Builders of Color Coalition, CORENET Global, CREW Boston, ULI Boston/New England and NAIOP Massachusetts to work together to begin the first of many conversations around awareness, education, and action to move the needle on equity, inclusion and diversity. The Boston CRE Summit on Equity, Inclusion and Diversity took place on Wednesday, May 8th at District Hall in Boston with over 150 attendees.

Please save the date for REFA's Spring After Hours networking event, which will take place on Thursday, May 30th. Held 2-3 times throughout the year, REFA's After Hours networking socials bring together industry members and colleagues for a night of food, drinks and mingling.
