Rivera joins DiPrete Engineering in Cranston

June 14, 2019 - Rhode Island

Sam Rivera, DiPrete Engineering

Cranston, RI DiPrete Engineering has welcomed its newest team member, Sam Rivera. Rivera is working with Eric Prive, senior project manager, serving as his supervisor.

Prior to joining DiPrete, Rivera worked for UC Synergetic as a CAD Technician.

“Sam brings a passion for designing and drafting to our team,” said Prive. “We’re excited to have him on our team and look forward to watching him expand his skills.”

Outside of work, Rivera attends the New England Institute of Technology full-time and is working towards a degree in Civil Engineering Technology.

DiPrete Engineering is a civil engineering, planning and surveying firm in New England. The firm has offices in Cranston, R.I., Newport, R.I., and Boston, Mass.
