Kifer joins G. Greene Construction as vice of business development

June 21, 2019 - Construction Design & Engineering

Joe Kifer,
G. Greene Construction

Allston, MA Joe Kifer has joined G. Greene Construction as the vice president of business development. Kifer brings 27 years of sales and business development experience in the mission critical, healthcare and life science sectors. He has worked for leading technology companies such as Nortel Networks and Panduit Corp.

Most recently, Kifer has worked as the business development manager with a global engineering company, NV5 (formerly RDK Engineers). His A/E/C experience throughout New England will help G. Greene Construction expand its healthcare and life science sectors.
