2019 Women in Real Estate: Tracey Hartford, Windover Construction

August 30, 2019 - Spotlights

Tracey Hartford - Director

Vice President of Client Services

Windover Construction

What is the best advice you have received, and who was it from? My parents provided me the best advice that I live by today. Do what you say you will do and drive yourself to get it done. At the end of the day, it's your integrity that matters. I watched both my parents work hard every day of their lives. They did what they said they would do and delivered every time. My parents were committed and dedicated to their crafts. This advice has never lead me astray, and it remains the core of who I am today.
