2019 Women in Real Estate: Claudia Piper, Webster Bank

August 30, 2019 - Spotlights

Claudia Piper

Senior Vice President

Webster Bank

How has your involvement in CREW Boston impacted your career? My involvement in CREW Boston has allowed my real estate network to grow exponentially by connecting me with so many high caliber women in the industry and allowing me to hone my networking skills within a variety of events, large and small. Further, my involvement first on various committees, then on the board, and then as president raised my profile in a way that did triple duty for me personally, for Webster Bank, and for CREW Boston.
