Elizabeth Krol - CREW Delegate

National Client Manager

Partner Engineering and Science, Inc.

What honor, achievement or recognition means the most to you and why? I am truly honored to represent CREW Boston as delegate to the CREW Network of nearly 12,000 members globally who are committed to the advancement of women in commercial real estate. Through the annual convention and thrice annual Leadership Summits, members are provided quality professional development, leadership and business development opportunities. Representing our chapter amongst the high caliber professionals that comprise this organization is a significant achievement in my career, I'm grateful to my chapter and the CREW Network for this important opportunity.
