What is your favorite motivational quote and who was it by? “Life begins at the end of your comfort zone.” - Neale Donald Walch.

What is the best business book you have read and would recommend to others? “The Way of the SEAL” by Mark Divine. It not only helps you to succeed in the business world with advice like “Do today what others won’t,” but also in life. Everyday events are now opportunities to thrive!

What is the best advice you have received, and who was it from? On a climb of Mount Kilimanjaro in 2007, our guide said to enjoy every step you take on the mountain. Many people will never come here. I equate that to life – no one will ever live my life but me and I better make the most of it.
