Brown and Silvernail join TFMoran with 53 years combined experience

September 06, 2019 - Northern New England

Amy Brown, TFMoran

Paul Silvernail, TFMoran

Portsmouth, NH Amy Brown has joined TFMoran as office manager for the Portsmouth division. Brown has a bachelor of science degree in Business Management from Granite State College. She has nearly twenty years of experience in business and project management, all aspects of business accounting, and executive administrative support.

Prior to joining TFMoran, Brown held various managerial positions for seacoast area businesses.

Paul Silvernail has also joined the company as a civil project engineer and septic designer. Silvernail has 33 years of experience in land surveying and civil engineering. He is a licensed New Hampshire septic designer and septic installer. Silvernail has an associates degree from NHTI in Engineering Technology with a major in Computer Engineering Technology.

His professional work experience includes surveying, designing subdivisions, roads, and commercial site plans; designing residential and commercial septic systems, and municipal and state permitting.
