Quincy, MA J. Calnan & Associates, Inc. (JC&A) was recognized at the 13th Annual Family Business Awards for business success, contributions to the community and industry, and innovative business practices and strategies and took home the Middlesex Savings Bank Award for Community Involvement.

Presented by Middlesex Savings Bank, the Award for Community Involvement was created to acknowledge a company that has had a notable positive impact on the local community. Rooted in a communal compassion for giving back, JC&A gives back in various ways to charities and organizations that are meaningful to their employees and creates many opportunities for collective volunteerism. JC&A has supported the Make-A-Wish Foundation, Champions for Children's, United Way and The Jimmy Fund to name a few.

JC&A is also co-founders of a nonprofit, Team IMPACT, with a mission to improve the quality of life for children facing life-threatening and chronic illnesses through the power of team.

Team IMPACT children are drafted onto local college athletic teams and invited to become official members of the team from Draft Day through Graduation. Since its inception in 2011, Team IMPACT has over 2,000 children at more than 600 colleges and universities across the country!

While not a family business, there is no denying that JC&A has had a tremendous impact on the community. CEO, Jay Calnan accepted the award on behalf of the company and stressed the importance of having a strong community and how instrumental our community has been to the success of both JC&A and Team IMPACT.

"The people of JC&A have a keen understanding of how much help we received from our community in our 20+ years of business," said Calnan. "We have successfully grown from a start-up company to an industry leader and are extremely cognizant of how instrumental our community has been in helping us to realize our goals. Our community continues to inspire us every day to be the very best we can, and we feel strongly that it is our obligation to return that support in every way we can."
