Rowley, MA FinanceBoston has arranged a \$2.568 million senior loan secured by a mixed-use property. The property has direct frontage on the Essex County town's main business corridor and benefits from numerous long-standing tenants.

"This closing was completed by arranging highly competitive terms to accommodate my client's 1031 exchange acquisition needs" said Doug Landry, principal at FinanceBoston. "Now is a great time for any commercial real estate owner to think about locking in highly favorable long-term interest rates."
