Reading, MA O'Sullivan Architects, Inc. (OSA) hosted a 20th anniversary celebration for our clients, colleagues, and professional consultants at it's corporate offices. Close to hundred guests joined the firm for the celebration. The party included an oversized charcuterie board, food stations, passed hors d'oeuvres and cocktails.

Certainly a major highlight of the evening – state representative Richard Haggerty presented a Proclamation Honoring the firm's 20 years in business and service to the community.

To mark the occasion, in lieu of an extensive give-away, the firm presented each guest with a simple key chain to thank people for being the “key to our success”, then every guest chose a charity with their name tag. Donations of \$20 per person, for each name tag, was sent to four charities: Dana-Faber Cancer Institute/Jimmy Fund, National Multiple Sclerosis Society, St. Jude Children's Hospital, and Schultz' Guest House Dog Rescue Shelter.
