ABX2019 — The largest architecture, building and design event in the northeast

October 18, 2019 - Construction Design & Engineering

Boston, MA New England's architecture, building and design community takes center stage at the Boston Convention & Exhibition Center (BCEC) for ABX19, taking place Nov. 6-7. Everyone who has a role in the industry attends to conduct face-to-face meetings, experience the newest innovations, participate in cutting-edge conference workshops, and build relationships at network-building special events.

Think this is just another industry trade show? Below are the elements that make this event special.

Show Floor Features

Expo Hall

In the main hall of the BCEC you will find 300+ companies, manufacturers and suppliers of all sizes showcasing their latest products, technologies and innovations for the design and construction industry. Meet one-on-one with the people behind these products and services, learn how they work, and get answers to your questions.

NEW: Business Center

Make plans to visit the new Business Center presented by Society for Marketing Professional Services (SMPS), featuring SMPS marketing checkups, a headshot lounge, networking tips and more. Learn new tricks to help your business and interact with marketing professionals.

NEW: CE Business Forum

Join us for special programming on Wednesday, Nov. 6 featuring sessions presented by SMPS.

IIDA New England Showcase
