Jewett partners with Star Building Systems

August 13, 2008 - Construction Design & Engineering

Jewett Construction has partnered with Star Building Systems, a leader in the construction industry and manufacturer of pre-engineered metal buildings and environmentally safe products. Star's network contains over 1,000 builders worldwide.

By partnering up with Star Building Systems, Jewett will provide more cost-effective building solutions for their customers.

Jewett Const. is a design-build, construction management firm. Clients include Northeast Credit Union, Jackson Lumber, Team Nissan, Subaru of Claremont and Don Allen Ford.
