Milone & MacBroom moves to Bedford, NH

December 06, 2019 - Front Section

Bedford, NH Milone & MacBroom, Inc. has relocated their New Hampshire offices to accommodate the company's continued expansion. Fifteen multidisciplinary employees from the firm's Manchester and Bedford offices have moved into a larger office located at 2 Commerce Dr. The relocation brings Milone & MacBroom's Northern New England building sciences, geotechnical engineering, dam engineering, construction-phase testing, and environmental practice areas together and strengthens the collaboration between the groups. The expanded space will also allow for continued growth. The firm's corporate office is located in Cheshire, Conn., with additional regional offices in New Haven, Connecticut; Portland, Maine; Springfield, Massachusetts; New Paltz, New York; and Waterbury, Vermont. Milone & MacBroom is a privately-owned, multidisciplinary consulting firm that has offered professional services across a wide range of disciplines, serving both public agencies and private companies, since 1984. Milone & MacBroom combines the expertise of engineers, environmental scientists, landscape architects, planners, and support staff to apply a collaborative and holistic approach to its work.
