West Warwick, RI Arpin Group has received several industry awards for outstanding performance and for demonstrating a high commitment to service among supply chain partners. These awards were delivered at individual company ceremonies held October 15-19, coinciding with the Worldwide ERC Global Workforce Symposium.

“We value our relationships with our customers and supplier partners that are based on trust, performance, and accountability,” said David Arpin, president and CEO of Arpin Group. “We continually endeavor to outwardly demonstrate the highest levels of service excellence necessary to exceed customer expectations in today’s global moving and mobility industry.”

BP Special Projects Award presented to two Arpin Group companies:

Arpin International Group and Creative Storage Solutions – BP recognized and honored these Arpin companies for providing outstanding service and innovative solutions managing international household goods moving and storage.

BGRS Silver Award – This award recognizes a supplier’s measurable commitment to excellence and is presented to BGRS service providers that have distinguished themselves by achieving key performance scorecard metrics.
