2020 Women Who Build Spotlight: Jane Milas, Garcia & Milas, P.C.

February 21, 2020 - Connecticut

Jane Milas, Esq., Managing Director at Garcia & Milas, P.C.

How many years have you been in your current field? 34 years

What are you planning to do differently in 2020 to have a positive impact on your career? Because I've been practicing in the areas of construction and commercial litigation for 34 years, I look at this question as not so much a matter of what I'm planning to do differently, but what I'd like to do more of in 2020. I'm looking at ways I can make connections between the many terrific and talented construction professionals I know, and institutions and groups involved in STEM education, as well as ways to broad the view of STEM fields to include the highly technical work that construction professionals do.
