Kara Gruss, Director of Business Development at TSKP Studio

How many years have you been in your current field? 14 years

What would you tell your daughter about entering this profession? It's an amazing and crazy industry. Stand up for what you believe, don't be afraid to use your voice and help raise the woman around you up. Most of all, understand that you are a part of an extremely talented network of people literally creating the world with and around you. Take this opportunity to make it better.
