New England Real Estate Journal hosts the Life Science & Healthcare Summit

March 06, 2020 - Front Section

Newton, MA The New England Real Estate Journal (NEREJ) held their Life Science & Healthcare Summit on February 13th at the Newton Marriott.

Moderator of the 9 a.m. panel Brent Trethewey of Licata Risk Advisors began the discussion asking the panel about the recent growth of Life Science with the epicenter right here in Massachusetts, Cambridge having a dominant position but with high occupancy and limited space forcing early and growth stage companies forcing them to the suburbs.

Shown (from left) are: Elizabeth Krol of Partner Engineering and Science; Mark Pelletier of Mauge Architects; Thomas Jensen of Boston Appraisal; Robert Yacobian of Cummings Properties; and Brent Trethewey of Licata Risk Advisors

Speaking on the 9 a.m. panel on Life Science design for Growth and state of healthcare construction in New England Tom Jensen of Boston Appraisal & Consulting, Robert Yacobian of Cummings Properties, Mark Pelletier of Maugel Architects, Elizabeth Krol of Partner Engineering and Science.

Moderator of 10 a.m. panel Jeff Nicholas of EBI Consulting said, "Each of us in our own way have all spent a career organizing the reconfiguration of properties through connecting people, ideas, information and funding."
